

Rohi Annual Coat & Blanket Collection

- Each Year, Rohi brings down coats and blankets to families in need in Reynosa, Mexico.
- Many families don't have heat in their homes and coats and blankets are the only warmth they have when the cold arrives.
- Most schools do not have heat either and these jackets are worn by students to keep warm so they can learn.
- Please donate your new or used coats and blankets by November 16th. They will be taken down over the Thanksgiving week.
